Affected Products

This Hotfix applies to all 32-bit and 64-bit publicly released versions of the following products (including Service Packs and Updates):

- Autodesk AutoCAD 2015, Autodesk AutoCAD LT® 2015, and Autodesk AutoCAD 2015-based vertical products
- Autodesk AutoCAD 2016, Autodesk AutoCAD LT 2016, and Autodesk AutoCAD 2016-based vertical products
- Autodesk AutoCAD 2017, Autodesk AutoCAD LT 2017, and Autodesk AutoCAD 2017-based vertical products
- Autodesk AutoCAD 2018, Autodesk AutoCAD LT 2018, and Autodesk AutoCAD 2018-based vertical products

Issues Resolved by This Update

Microsoft® is ending support for version 7 of Bing® Maps on June 30th, 2017. This Hotfix will upgrade your version of Bing Maps to version 8 so that you can continue to use the Geolocation Online Map Data feature.

Installation Instructions

You must have administrative privileges on your Microsoft Windows® operating system to complete the installation process.

1. Download the following executable on to your machine:
Autodesk_AutoCAD_2015_to_2018_Geolocation_Online_Maps_Hotfix.sfx.exe
2. Close all software applications.
3. Double click on the executable to extract the files. This action will also update all supported products on your machine with the Hotfix.
